“New Mexico History presentation: The People of New Mexico Who Explored the Famous Shroud of Turin”

What: "New Mexico History presentation: The People of New Mexico Who Explored the Famous Shroud of Turin" on the 35th Anniversary of their expedition. (The largest scientific expedition ever launched to study a single artifact, the mysterious Shroud of Turin. It launched from New Mexico in 1977!)

Who: Barrie Schwartz, world famous photographer, video producer, delightful speaker, and official documentarian of the "Shroud of Turin Research Project (STURP)" scientific expedition in 1978.

When: Memorial Day Weekend: Saturday May 26, 2PM repeating at 7PM & Sunday May 27, 2PM in the Shroud Museum. Additional venues and live video streaming events via Internet to be announced at ShroudNM.com as scheduled, including live streaming video over Internet.

Where: Shroud Exhibit And Museum, 3199 N White Sands Blvd, Suite D-1, Alamogordo, NM 88310. (Features the unique interactive 3D instrumentation used to discover the Shroud's 3D properties.)

Tickets: \$5 each. Limited seating, first come first served. Buy at the museum or on-line at ShroudNM.com. Museum Phone: 575-446-2113
