

Congratulations, Barrie! I look forward to your anniversary celebration update. Let me be among the first to express my deep gratitude for your tireless and marvelous multitude of works on behalf of the Man of the Shroud.

You are the primary resource for so much of what is known about the Shroud and the people involved in studying this wondrous mystery God has granted to us. May you have many more years of success in bringing the Shroud to the world in this unique and essential way, through modern media.

May God continue to pour out His blessings upon you and your work.

Yours in the Service of the Man of the Shroud,

Deacon Pete Schumacher, Director
